MEETINGZONE'S GOLD COMMUNICATIONS ACCREDITATION RENEWED BY MICROSOFT

Thame, Oxon, UK: 10 January 2018:

Voice and Skype for Business specialist MeetingZone have had their Gold Communications accreditation renewed for a further year by Microsoft, passing the stringent standards set.

“Microsoft is very demanding of their partners and set the bar extremely high to ensure only the best quality service levels are delivered to customers”, commented James Davidson, MeetingZone’s Chief Operating Officer.

As well as demonstrating high levels of customer service, MeetingZone’s engineers had to pass technical exams, including the Skype Operation Framework (SOF).
